The Impossible Rescue: Exodus 2

Have a glance through Exodus 1 from last week. In what ways are the Hebrews facing a hard time right now?

Read Exodus 2 and pray that God would be at work by his Spirit during your time together.

The successful rescue:

1) What is the mother's plan in this story? What do you think the chances of it working are?

2) It's a mad plan, that shouldn't work. The fact that does shows God at work. What are some examples of God rescuing you from hard times in your life? How does this help us when it comes to trusting in God for his ultimate rescue of us from our sins?

The unsuccessful rescue:

3) Why does Moses commit murder here?

4) Is he right to be upset at the treatment of the Hebrews? So what is Moses' mistake?

5) Moses takes matters into his own hands instead of trusting God. When might we be tempted to do that?

6) What would it look like to do try to take matters into our own hands when it comes to our salvation?

7) In what ways are you being called to trust in the promises of God at the moment? Pray for each other to fully trust in God's promises.
