

Life and the Last Garden,

Revelation 21:1-8

Read Revelation chapter 21 verses 1-8 and pray for God to be at work by his Spirit during your time together.

1. If you were to write your own fairytale what's the best happily ever after you could dream of?
2. Revelation 21 and 22 show the most wonderful happily ever after for believers. Look again at verses 1-4, what do we find out about the future God has prepared for his people?
3. How is this different from how we often think about the future? How is it like Eden restored?
4. Will everyone enjoy being in the new creation (see verse 8)?
5. How does being clear about the future shape life for us now?
6. Over the last 7 weeks we've done a whistle stop tour of the Bible – The Greatest Story Ever Told. What are some of the highlights you've learnt along the way?
